PAINÉIS RIPADOS

EspaçoWall[®]
Painel Ripado

Paredes e tetos são quesitos estratégicos quando o assunto é decoração de interiores. Através deles, é possível criar a sensação de ambientes mais amplos e contemporâneos. E para isto, o painel ripado é um grande trunfo. Extremamente práticos de instalar, a prova d'água e resistentes a riscos, os painéis EspaçoWall trazem elegância além de impressionar pela durabilidade.
